Chairman's Message

Firstly for 1980—to two of our distinguished and respected Club Members honoured in the New Year's Day List by Her Majesty the Queen, congratulations and best wishes on well deserved recognition to Sir Talbot Duckmanton, C.B.E., and David Fullerton, C.B.E.

Once again the Christmas/New Year period was a busy one in the Club and it was important that our Club was chosen for the venue for the 1979 Sportsman of the Year Award by the A.B.C. with the final presentation to champion golfer David Graham by Sir Talbot. The coverage on A.B.C. T.V. provided a most professional and entertaining show. Our sincere thanks to host of the programme, well known and popular sporting broadcaster Norman May for his complimentary remarks. Watching this telecast each year is a must for those interested in sport.

Tattersall's Club conducted its most successful ever New Year's Day Race Meeting at Randwick, and our congratulations to Club Members Hugh McLeod, Michael Malouf and Louis Aboud part owners of Hot Image, the winner of the 1980 Tattersall's Gold Cup, and of course to Member/Part Owner/Trainer Tommy Smith for his hand in Hot Image's win. Also our heartiest congratulations to Jockey Wayne Harris, and to the Strapper Colin Selby for winning our first every Strapper's Prize, donated by Ansett. Our appreciation also to Brian O'Connor for donating Trainer's prize and to Arthur Browning for presenting the Sportsman's Diaries to members and the ladies attending the luncheon. The attendance at the day was a record for a Gold Cup Meeting, and as you will see elsewhere in this magazine, the number of acceptances were also a record.

Another first — Tattersall's Club has entered a team, so far the only team from Australia, in the Annual Maui Channel Relay Race around the Hawaiian Islands, organised through the Outrigger Canoe Club and to be conducted in August this year. The members of our team go into training next month and although not yet finalised we trust that we have Des Renford as a possible starter subject to clearing his status for qualification.

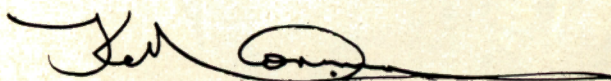

The Annual Subscriptions for members are now due and must be paid by end of February, and even though there has been an increase in the fees for Bookmaking and Ordinary Members, we have this year, for the first time, decided that Members may pay their Subscription Fee for two years and if they choose to do so, the Subscription due on 1st March, 1981, if increased will not affect anyone who has already paid that year in advance.

Now that the increase has been approved, your Committee is directing its attention to all of the improvements to the Club outlined in the notice precipitating the increase and mentioned at the special meeting in December. No doubt you will realise that there will be certain inconvenience to Members over the next few months while the repairs and renovations are being carried out, but I know that you will be pleased with the results.

A review of the Club Rules has been drafted to be put to the Members in June after our Solicitors have vetted them, and these will be circulated as soon as possible for comment.

Once again I hope 1980 is a wonderful year for all of our Members.

Yours sincerely,

K.H. MOREMON, Chairman.

ABC SPORTSMAN OF THE YEAR FUNCTION AT TATTERSALL'S CLUB

For the first time the ABC held its Sportsman of the Year presentation dinner in our 4th and 1st floors on 4th January. Judging by the success of the evening it will not be the last occasion.

The General Manager of the ABC, an active Tattersall's Member, Sir Talbot Duckmanton and Lady Duckmanton were hosts to a large sporting gathering.

Cocktails in the 4th floor lounge, followed by the awards and dinner on the 1st floor, compered by Norman May, made up a grand evening.

Direct satellite communication was used for overseas interviews and the winner, David Graham, spoke directly from San Francisco with Sir Talbot.

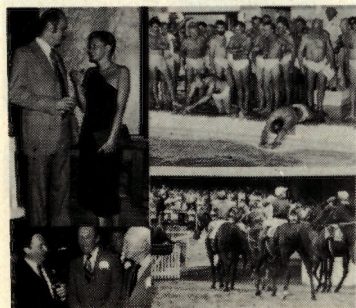

The Club was well represented amongst the guests and the whole presentation reflected great credit on the ABC, its staff and the Club's staff also.

Tattersall's is proud to have been selected as the venue.

INTRODUCING NEW MEMBERS

It has been a time honoured practice when a person is accepted by Tattersall's Club for membership, to conduct him around the Club and dine with him. It is a way of showing him how welcome he is as a fellow Member.

The Chairman, Committee and Secretary are always available and are very pleased to meet new Members. The thought is — when you see a Club executive please make sure you introduce your new Member.

"..... IN ANGER OR IN FRIGHT"

The youth of a Nation are the Trustees of Posterity ... "Disraeli".

I think the youth of Sydney are fine types with a "made in Australian stamp" on them (of which we can be proud). They do all the things I did in my growing up days **except** I never got up to the bottle throwing caper and the drug bit.

"It was quite terrifying. They were throwing cans, bottles, even half full flagons of wine. There just seemed no reason for it. They were being entertained after all. I looked at the Lord Mayor. He was white as he walked away. I don't know if it was anger or fright. It could have been either" ... on stage official guest at the Opera House New Years Eve function.

I join Ita Buttrose in her cry of shame. In her column in the Women's Weekly January 23 1980 she spelt out a message which I commend to all. Mothers, fathers, older boys and girls—in fact, anyone who can read.

The Opera House scene must never be repeated—please Mr Wran. It was a disgusting affair to see Rolf Harris ducking cans and bottles. Minority! is the yell—I say boloney! In another scene I don't like the blood glee at the cricket when one of the Poms or Windies receive a painful blow. —Absolutely unnecessary!

"How can we respect our country when we are bringing up young people who clearly do not respect themselves?" says Ita. I agree wholeheartedly.

TATTERSALL'S CUP DAY AT RANDWICK

Attendance at Tattersall's New Year Racing fixture at Randwick was well up on 1979.

Nearly 16000 were there to see a thrilling win in the Cup by four year old bay gelding Hot Image owned by T.J. Smith, H. McLeod, M. Malouf and L.A. Aboud trained by T.J. Smith.

Tattersall's Race Committee of Peter McGrath, Tony McSweeney, Norman Rogers and Bruce McHugh and Secretary Norman Smith gave the Chairman great support in planning the race day programme which attracted good fields. The racing was of top class. Wayne Harris rode a double in dashing style.

A special trophy was arranged for the strapper of the winning horse. Ansett Airways providing Surfers Paradise tickets and accommodation for two for him. It was a great idea by Tattersall's Clubman Frank Roberts.

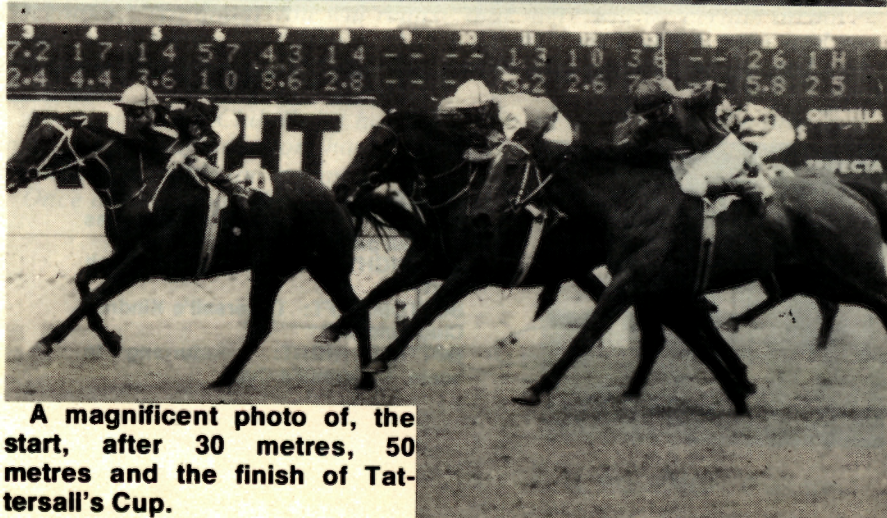

The Race Day Luncheon was hosted by Chairman Keith Moremon and included distinguished guests.

It was pleasing to see new member the Hon. Lord A. Forres at the function.

Bookmaker Arthur Browning was thanked by the Chairman for his gesture in providing a diary for all present. Arthur is the longest serving operative bookmaking member of Tattersall's.

The Tattersall's Ladies Luncheon was held in the Queen's Room and Mrs Keith Moremon, wife of the Chairman, entertained the ladies of Tattersall's and friends.

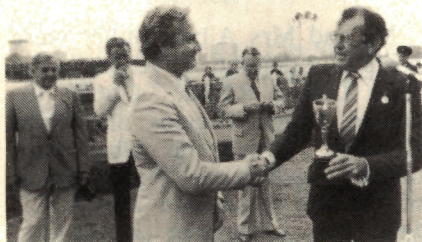

It was the most successful Race Day staged by Tattersall's Club in years.

David Robinson's Splashing Win in November Point Score

David had scored the possible in the first three events and looked a certainty to put up a record score, but was unlucky in the draw in his final event having to play second fiddle to erstwhile Olympian Bill Kendall. However, it was a sterling effort winning by seven points from consistent David Castle on 30 and Derek Jackson 25½. Both Castle and Jackson have made rapid improvements and look like sharing in the prizes of the Silver Sharpe Trophy.

John McClean Takes out December Monthly

John's effort in collecting the December Point Score with a total of 31½ points from Justice David Tonge on 30½ was in doubt up to the last final, but owing to the excitement of David's partner, had to be content with second place with Alec McLelland a further 2½ points away in third place.

Silver Sharpe Trophy

The above Trophy is in an interesting stage with the top ten vying for the lead which has been changing from Keating to Heath then Jackson followed by McLelland and now Michael McCormack has strolled to the front with a total of 84 points, Nick Heath on 79½, followed by Alec McLelland 79, Derek Jackson 75½, John McClean and Justice Bryce Ross-Jones 74½ and David Castle 74.

It is not often one finds two back markers leading at this stage of the series, so here's hoping they keep on with the good work setting an example for others to copy.

However, a lot of water will flow under the bridge ere the eventual winner lands the coveted trophy.

Scores to 10-1-80

M. McCormack 84, N. Heath 79½, A. McLelland 79, D. Jackson 75½, J. McClean 74½, B. Ross-Jones 74½, D. Castle 74, D. Tonge 68, S. McAllum 68, D. O'Connor 67, C. Coppa 64, C. Gunson 60½.

Tom Powell Trophy

Stewart McAllum has wrested the lead in the score for the above trophy with five wins, with former leader John Keating on four and a half. It has been unfortunate for John who has been hors-de-combat for the last few weeks with a leg injury. Close up next is Nick Heath on four jointly with David Castle whilst Brian Duncan, Michael McCormack and Gerald McCormack a half point astern followed by Bill Hannan and John McClean three each.

Scores to 10-1-80

S. McAllum 5, J. Keating 4½, N. Heath 4, D. Castle 4, B. Duncan 3½, M. McCormack 3½, G. McCormack 3½, N. Amy 3½, J. McClean 3, W. Hannan 3, C. Gunson 2½.

Christmas Scramble Biggest and Best Yet.

As usual the highlight of the end of the year activities was the Christmas Scramble with a line up of 76 competitors divided into four teams of 19 apiece and alternating fortunes saw one team after another take the lead with one or other sometime a lap astern, but when the anchor men hit the water their was not a great deal between them.

A great race and slashing finish saw Tony Salier's team consisting of F.L. Bowes, B. Debney, Col Bowes, Paul Donohue, C. Robinson, Dan O'Connor, C. Coppa, P. Sutton, Tony Salier, M. McCurric, T.J. Ward, M. Hopkins, J. McKeon, P. Derwent, A. Berkman, N. Heath, R. Tobias, John Nicholas and Doug Salier nose out by the proverbial fingernail, a devastating finish by Harry Turner's boys with Roger Farrells' and Norm Rogers' lads only a breath away in that order.

What with the shouting and the cheering as the last four swimmers fought out the finish stroke for stroke one could be forgiven for thinking that fortunes were at stake.

The Consolation Hcp of six times across the pool for the first time had to be divided into two sections owing to the inclusion of extra starters.

The 1st Division was taken out by limit man Len Blanket from B. Conkey with Les Foley in third place. A very gallant effort Len.

The 2nd Division was a real thriller with back marker champion Neil Rogers just being nipped by the long arm of lanky John Reid.

Anyway, nobody cared much as everybody including onlookers received prizes of Christmas cheer of whisky, wine, golf balls, chocolates and biscuits.

Best wishes for the festive season and 1980 by Club officials and all round felicitations rounded off a particularly happy hour or so.

A hearty welcome was extended to Club Chairman, Keith Moremon on his initial appearance at our Christmas festivities.

One last thing remains for me to complete these notes and that is to offer my sincere thanks to the following gentlemen whose donations made the show a huge success: Morry Anderson, Lionel Abrahams, Tom Abernethy, Harry Buttell, Len Burke, Jim Comans, D. George Cohen, Jim Crawford, Peter De Salis, Chas Eastment, Frank Fisher, George Gayleard, Bill Hannan, Snr, Mal Holechek, John Hickey, Len Hinds, Tom Heavener, Reg Jewell, John Leckie, Bill Lander, Jack Loughnan, Bruce McHugh, Arthur McCamley, Tony McSweeney, Bill McHugh, Bruce Meekings, John O'Neill, Leo O'Sullivan, Terry Page, Len Plasto, Frank Roberts, Bob Rowland-Smith, Arthur Sing, Tassie Stavrianos, "Bing" Whitelaw, Bill Waterhouse, Fred Weston and Gerry Wells.

Billiards & Snooker

By Syd Lane

Here we go again!

We are planning the Grand Snooker and Billiards Tournaments for 1980.

Following on last year's successful policy, the sub-committee has decided to continue giving generous handicaps to the less skilful players and we look forward to seeing a lot of new friends trying their luck and ability on the green baize, and of course helping to make these tourneys more and more popular.

Don't forget last year's final was fought out by two long markers which only proves the old adage—"Ya gotta be in it to win it". A completely new innovation for this year's Snooker Tourney is the introduction of 32 prizes instead of the usual four. See the nomination form for the complete details displayed at Tattersall's Club.

Another huge attraction for 1980 will be the playing at our Club of the **WINFIELD WORLD'S MASTERS**, Mon. 9/6/80 to Fri. 20/6/80. Afternoon Session 2 pm. daily, Evening Session 8 pm. daily.

This competition will be fought by the World's leading exponents of Snooker including the Stars of Pot Black.

Peter McGrath and his sub-committee wish you all a happy 1980, and a successful year of Snooker & Billiards at the Club.

Epicureans

by Peter Ashby

OH! WHAT A NIGHT!

The Epicureans of Tattersall's Club's Christmas Dance lived up to its promise to be the event of the year for that blithe, lively and gleeful group of members and friends who just can't grasp any reason why our members are not greater.

Cocktails in the Club's 4th Floor Lounge eased any early tensions and two large groups were quite obviously set on a cheerful Xmas course.

Andrew and Mrs Wang entertained a large family group as did Basil and Pam Phillips who were accompanied by their daughters and friends.

Narelle and Bill Sellen filled in the stroll to the Dining Room with details of their protracted tour of the Northern regions of Australia.

Seated comfortably and sipping some Christmas cheer I learned the reason for Irene and Kevin Fay's absence from the sports for so long and it was a meaningful Xmas present to have both Irene and Kevin again as practising Epicureans.

There was certainly a great "exchange of Xmas cheers" (clearly stated on the invitation) and Geoff and Rhona Eastment exchanged several with Olga Black and Chief Epicurean Victor Vadas.

Os and Pat Bates and Len and Heather Bremner enjoyed the evening. They rated it a great fun night.

Tom and Peg Dickman danced divinely and Ern and Dorothy Bacon and Bob and Fay Swinbourne promised to come to the 1980 Xmas Party.

Bill and Mrs Aitkenhead, Mr & Mrs Alfred Milani and Peter and Mrs Barker voted the evening a great welcome for the Santa Season.

1980 PROGRAMME

The busy Epicurean year will include the following events:

Sunday, 24th February, commencing at 3 pm, with dinner served from 7 pm and evening pool side dinner party at the home of Chief Epicurean, Victor Vadas.

Tuesday, 25th March—Cocktail party and Dinner Dance at Tattersall's Club.

Tuesday, 29th April. A surprise! surprise! night again at your Club. Australian Night—a night behind the Black Stump.

Sunday, 25th May at salubrious Wallacia per courtesy of magnanimous Len Sims "A luncheon barbecue in the bush".

Friday, 27th June—Tollana Wine Tasting with Buffet in the Sportsman's Room.

Nearing the end of July a theatre party for your enjoyment with dinner and supper at the Club.

Tuesday, 12th August a Dinner Dance at Tattersall's.

On a balmy September night "A night at the Opera House" with dinner in the Benelong Restaurant organised by Len Sims.

A warm, pleasant evening will be chosen for a Harbour Cruise with fine wines and fancy foods provided in the paradisiacal month of October.

November will see another happy visit to a theatre with dinner and supper at our Club.

On Tuesday, 9th December a repeat of

the grand Christmas 1979 Epicurean celebrations.

Remember to book as soon as you receive notification for each happy event as attendance numbers must be limited.

HANDBALL NOTES

by Peter Ashby

TATT'S TWO TROUNCE TWENTY-TWO TEAMS TAKE TITANIC TITLE

Brothers Ron and Neil Rogers wrote their names into Handball history when they won their third consecutive victory in the N.S.W. State Doubles Handball Championship.

The final was a tense, hard fought contest that saw challengers Noel Vella and Reg Chappell lose in a photo finish after proffering unexpectedly vigorous opposition. In the previous years' final the same pair had offered only token resistance to Ron and Neil and a similar result was expected by the big gathering of handball enthusiasts present.

A star studded field faced the starter on the first days play with entrants from four Clubs, including en—Rugby League Australian representatives Bob McCarthy and Tony Brown, conditioning experts Les Motto and George Inman and a champion from the big courts, Paul Sweeney.

Two mined-up combinations, Bill Sellen (Tattersall's) and Bill Bennett (Bondi Icebergs) and Alex Hillston (Tattersall's) and John Devine (Bondi Icebergs) were opposed in the first round. Alex Hillston starred in gaining a win with his big hitting forcing many errors.

Bill Blakemore and Paul Vrachnas, a promising Tattersall's team earned their victory against an Iceberg combination, Peter Quinlan—Peter McLean, by quickly adapting to the strange court surface and were given a round of applause for their upset win. The victory proved no luxury, however, as their second round opponents were champs Ron and Neil Rogers. Losers are rarely applauded.

Tattersall's pair Michael O'Dea and Tony Baine had a comfortable first round win against two Icebergs on the make, Arthur Chard and Victor Luckhurst. Michael and Tony then accounted for another Iceberg combo in seasoned, ceded players Tony Brown and Geoff Williams. They then had to face second favourites Ray Hopkins, well known Tattersall's competitor and Gary Stubbs (Clovelly). Gary has three victories in the state doubles to his credit, he was runner-up one year and he has been placed third on three occasions.

The successful team in this match were drawn to meet the Iceberg team most favoured for victory in a semi-final, Noel Vella—Reg Chappell.

Tony Baine, 1979 Tattersall's B. Grade Champion, lifted his game in this match to such an extent that while he was obviously the target for an attempted breakthrough by Ray and Gary he was able to sustain not only a almost impregnable defense but matched his experienced opponents and his crafty partner in attack. It was a magnificent display of handball with the expected weak link providing a pure steel performance. The Hopkins-Stubbs duo could not shake the tenacious Tatt's team and it was obvious that they had expected an easy canter into the semi-finals. Michael and Tony could not be faulted and the score steadily climbed to the late twenties with neither side in the ascendancy. The game was finally clinched by Hopkins-

Stubbs at 34-32. The match provided the crowd with their moneys worth in post-mortem discussions where only a replay could be the final arbiter.

The semi-final draw was Ron and Neil Rogers (Tattersall's) versus Frank Caldwell—Don Hudson (Bondi Icebergs) and Ray Hopkins (Tatts)—Gary Stubbs (Clovelly) versus Reg Chappell—Noel Vella (Bondi Icebergs).

Although Reg Chappell was bubbling over with confidence and his partner Noel Vella was quietly confident they were the underdogs but as so often happens the favourite can take a hiding. This game was not the exception.

Ray and Gary lost an interesting encounter 28-31. Reg and Noel were down 10-15 on their service and went further astern to be down 12-18. This was the widest margin in the game but Noel on service was able to get within striking distance at 16-19. Gary's service was plainly not the lethal force we normally expect and he dropped one point. Reg was able to gain another point on his fine serves while Ray served to drop behind by two points allowing the Iceberg team the breakthrough and victory by three points 31-28.

The Neil Rogers—Ron Rogers versus Frank Caldwell—Don Hudson provided a display of a pattern of attack of which the Russians could be proud. Neil opened the serving and concluded his span with a small deficit 2-3. Frank immediately served notice that this game was to be played at a fast pace and ably supported by Don began to test the Rogers' defence.

The scores were level at 9 all and the Champs led by the odd point at 12-11. From there on in the game proved a cakewalk for Ron and Neil who invariably increased their point advantage to enter the final ahead 31-18 at the final bell.

Both the victors were accurately sighting the ball in the final stage of this encounter and it must have provided them with match fitness and given them a great ego boost for the final.

Reg Chappell won the right to serve but lost a point to be down 2-3 and Ron Rogers followed to also lose a point for the score to be level at 5 all. All players were feeling

their way and probing for a weakness but with Noel serving the game increased in tempo and a sharpening of attack was noticeable. Neil completed his service with a two point advantage, the biggest point margin to this juncture.

At this stage favourite punters were on good terms with themselves for with the Rogers machine in top gear, their uncanny retrieving ability coupled with forceful play commenced to force errors and their lead progressively increased from 15-10 to 19-11 and on to 21-14.

On Neil's serve, however, the challengers were able to take 4 points to the champ's one point and following Reg's five serves they were back in the game down only three points 21-24. The underdogs made up further leeway to be within 2 points of the Rogers but with some rocklike defense against a tigerish attack the champs were assured of success at 30-26.

The machine faltered once again to allow the loss of 4 points and at deuce it was anyone's game with a bewildered gallery barely able to murmur encouragement.

Reg served at 30 all and lost and Ron served at 31-30 to win the match and title in yet another magnificent victory.

NEW TATTERSALL'S HANDBALL CLUB

Tattersall's handballers have voiced an opinion that a properly constituted Club should be formed with a financial membership.

All competitions need not be limited to financial members but certainly prizes would not be presented to unfinancial winners.

Main argument in favour of this move is that players and interested Tattersall's members should take an active role in the conduct of the subsidiary Club.

Under the rules of the N.S.W. One Wall Handball Association affiliated Clubs (Tattersall's is one such Club) must be comprised of financial members.

The draw for the various Club Championships will be made soon and members are urged to enter their names on the sheets provided on the second and third floor notice boards and to pay subscriptions to the Treasurer, David Dobbin.

GOLF

Golf Secretary Rod Fisher promises members a great season.

Manly provides one of the best venues for golf. Top championships are played there so it was a fine place for Tattersall's Golf Club to decide our No. 1 player is Ray Hannan (76), B. Grade Graham Pittar (80) and C. Grade Tom Hartigan (90). As usual there were plenty of hard luck stories.

After the golf the Annual General Meeting was held. Usually it's over in record time—this year it was a "slow run" affair—it took ten minutes.

Some of the time was taken convincing the retiring President, Bill Hunt to run for another term. Bill has a good Committee and we look forward to excellent golf in 1980.

Father Xmas was there (or a standin) and "Ocars" in the form of champagne were presented for deeds—good and bad.

Secretary, Rod Fisher presented a bottle to Vic Vadas (retiring Treasurer) with a few words—"Victor Vadas, this is your life!" Kevin Elliott is the new Treasurer and is a keen golfer with an accountancy background which is an ideal combination. He has a great sense of humour too.

Here are some of the members our pet seagull noticed around the course.

Rod Fisher and Lionel Malone had a great game with John Grat-tan and Bill Kelso. They started early and finished late!

Jack McCarthy playing on his 5 handicap said "Not enough, the way I play today." He's always a pleasure to meet especially on a golf course.

I noticed a lot of members really enjoying the day including Hugh Norton, Doc. Pearce, Frank Fisher, Alan Black, Jim Kennedy, John Patterson, Jim Grant, Bruce Cox, Kevin Simmonds, Rob Elvey, Doug Cameron, Neil Steglick, Frank Fox, Brian Granger, Ray Grey, Ian Buckle, Steve Zappa, Percy Edwards, Ray Lenehan, Morrie Bernhardt, Peter Dind, Phil Darby, Sid Thompson, Kevin McCann, Tom Hartigan and Roger Lind.

These names are just a few of the lucky people playing golf on a lovely day at Manly.

SWIM CLUB NOTES

Nice to know that Jim Comans and Arthur McCamley are out of hospital and making good progress towards a splendid recovery.

Norm Rogers is the proud grandpa of a Tatts member of the future. Liz, the lovely wife of Neil presented him with another Olympic potential named Clay.

Max Sernack, our genial starter, is also in the grandpa manner as Tony's lovely girl Sara presented him with a daughter, Niki.

Grandchildren are the sure way to eternal youth. They bring the springtime of life right back. A man doesn't really amount to much until a baby has spit up on his shoulder.
